About BRHS

BRHS makes a significant contribution to the East Gippsland community by providing high quality healthcare in a sub-regional setting.

As East Gippsland's largest employer, we contribute substantially to the local economy through employment, infrastructure spending and regional development.

Our guiding vision is to be a respected leader of outstanding healthcare that fulfils the role of improving the health and wellbeing of the East Gippsland community by providing accessible, high quality and sustainable health care.

Strategic Objectives

- High quality, effective care
- Skilled, motivated and valued workforce
- Accountability, sustainability and governance
- Leadership and partnership

Careers

Offering a broad range of exciting career opportunities, people choose BRHS in their pursuit of balancing career and lifestyle. Health careers exist in **Medical, Nursing, Radiology, Allied Health disciplines, Pharmacy, Dental, Community Health and Aged Care.**

There are also non-medical opportunities in a range of support services including Administration, Finance, Health Information, Human Resources, Information Technology, Hotel Services, Maintenance & Gardens, Supply and others.

BRHS has extensive continuing education support structures for staff to develop their skills and abilities to achieve their job and career aspirations.

There are a number of supports which also contribute to creating work life balance such as access to an extensive salary packaging program, employee assistance program, employee wellbeing, social activities and peer support.

We are very proud of the quality services we provide to our community and staff which are a subsection of that community. If you would like to be part of a great team, take a look at our current vacancies at

www.brhs.com.au

Employment Programs

We offer a wide range of pathways including:

- Graduate Nursing Program
- Indigenous Employment Program
- Traineeship Program
- Apprenticeships
- Rural Employment Schemes

We also partner with local disability support services with work placements for their clients.

We are committed to ongoing improvements and continued education opportunities for our staff so they are equipped to meet the changes in the health needs of our region.
